Koch	Great professor love his lectures
Koch	The lectures, connections to real world events, and puns were great. As a senior, this has been one of the most enjoyable classes that I have taken.
Koch	The professor did a great job.
Koch	Great Professor, a pleasure to be a student. Enjoyed coming to class and listen to his lectures.
Koch	I got lost sometimes when he talked, but it's was okay considering he had audio recordings to look back on
Koch	Dr. Koch was easily the best professor I had this semester. He made class fun and enjoyable. I didnt know much about sociology coming into this semester, and I now have an abundance of knowledge on the topic. I would recommend him for any future students interested in taking this course.
Koch	Dr. Koch is a wonderful professor who you can tell is passionate about what he teaches. He makes class fun, engaging and easy to follow along with. I definitely recommend this class.
Koch	Even though I enjoyed your stories when taking the exams I didn't really understand the context.
Koch	LOVED this professor!
Koch	I really like Dr. Koch's personality and his teaching style. His humor and tangents kept me engaged in class because we never went on too long talking about mundane information. He would tell stories that were relevant to the class, which kept us learning even of we didnt realize. I also loved how he would have members of the class participate by raising hands. Maybe to spark more audience engagement during class, we could've gotten to know other students around us better or done some in-class activities.
Koch	This class was overall one of the best classes I have attended in awhile. Dr. Koch is a great professor!
Koch	Great professor!

Koch	cool guy
Koch	Seriously one of the best electives to take!!! The nicest professor ever.
Koch	Amazing professor! I love the way he does his lectures, and it also helps that he records them. Sometimes I would listen to his audio lectures as a podcast, and I found that has helped me to learn tremendously.
Koch	This specific class is hard to understand his way of teaching if you are not a by the book student, sometimes his lectures do not add up to exams

Koch	Dr. Koch was a fantastic professor, I really enjoyed sociology more than I thought I would in the beginning because he knew the content very well and would make awesome jokes which kept the course interesting and fun, as well as informational because he gave real life examples of concepts described in class. I felt he was very personable and that I could go to him with any issues in the classroom or outside the classroom! Loved listening to Dr. Kochs lectures and I would take his class again!
Koch	It was a very interesting class and Professor Koch made each class very fun and different.
Koch	Dr. Koch was a great professor and made the class really enjoyable!
Koch	This course was a part of my first semester at TTU and it was by far my favorite class because the teacher valued teaching students and giving guidance as opposed to doing a job.
Koch	The course was developed to provide students a way to get a better experience with their environment
Koch	The funniest professor that I never met
